Dear Consul,

The welfare of international students is extremely important to the higher education sector in Victoria. Universities in Victoria have many measures in place to support the welfare, security and safety of international students and we are working closely with the government, Victoria Police and other organisations to further enhance existing procedures.

The Victorian International Directors' Committee (VIDC) has agreed that every consular representative in Victoria should receive a complete list of contact details for staff dealing with international student issues at the nine universities in Victoria.

As there is no Consulate of Malaysia in Victoria, I hereby attach this list for your information and distribution to other states for use in the case of an emergency with a student from Malaysia. These details are current for 2009 and will be updated annually by the VIDC.

Yours sincerely

Ms Liz Stinson
